ZIMBABWE ORPHAN PROGRAM

BRINGING HOPE TO THE CHILDREN OF ZIMBABWE

Life in Zimbabwe is difficult. Once considered to be the bread basket of Africa, Zimbabwe can now barely provide enough food to feed its own citizens. With a repressive government, Zimbabwe's rate of inflation currently leads the globe. Most adults cannot find work and suffering most of all are the children, particularly the orphans. Without the safety net of governmental programs like we have here in the United States, children orphaned in Zimbabwe face a bleak future with very few opportunities.

The Zimbabwe Orphan Program exists to help them.

Our mission is two-fold: To equip and empower orphaned children by providing a quality education and to present the life-changing message of the gospel.

Scan the QR code below to find the most up-to-date information about how many children we are currently ministering to.

“WHATEVER YOU DID FOR ONE OF THE LEAST OF THESE BROTHERS AND SISTERS OF MINE, YOU DID FOR ME.” -MATTHEW 25:40

OUR OBJECTIVE:

The Zimbabwe Orphan Program operates by paying for each student's tuition and other schooling expenses. An orphan minister ensures that the student is in a safe living environment, is doing well in school, and has heard the Good News.

“DEFEND THE WEAK AND THE FATHERLESS; UPHOLD THE CAUSE OF THE POOR AND THE OPPRESSED. —PSALM 82:3
